FOREWORD

Plans are now finalized for the sale of Shirley Farm and we wish to extend our personal invitation to Shorthorn Breeders everywhere to attend our Shirley Shorthorn Dispersal Sale. Our entire herd is to be sold and is catalogued within these pages. We have spent a large part of our lifetime building this herd to its present position and are proud of the cattle we have to offer. The pedigrees speak for themselves. This is your invitation to be with us the day of the sale, Saturday, July 17th, and see cattle that are as good as their pedigrees.

HEALTH—Herd fully Accredited for T.B. All females born from 1950 to the present are Bang's Vaccinated.

Since this is a dispersion sale the cattle will be sold at the halter and without further guarantee.

SHIPPING—Cattle will be loaded free of charge at owner's risk, either C.N.R. from Lashburn, or C.P.R. from Neilburg. Arrangements can be made for trucking.

NOTE:—Our sale is fitted in with the Class A Fair Circuit so that exhibitors and others may attend while en route between Edmonton and Saskatoon Summer Fairs. If you plan on attending while on the Fair Circuit or if en route holidays, cattle purchased may be left, at owner's risk, until the following week when it would be more convenient for the purchasers to pick them up.

SYDNEY K. BERRY, Owner, Shirley Stock Farm, Lashburn, Sask.

"DAZZLER" was one of the great Shorthorn bulls of the world before coming to Shirley Farm. He had been Reserve Champion at Scotland's Inverness Show; had sired a string of top cattle for John Sleigh at Tolquhon; was the sire of the Supreme Champion Shorthorn female at both the Toronto Royal and Chicago International in 1950; and the dam of the 1952 San Francisco Champion. Here he has sired the dam of our 1954, Regina Champion, SHIRLEY GOLDEN GLORY; the Reserve Junior Champion of the Saskatoon Interprovincial Bull Show (also a member of the 1st place Pair of Bulls); and many more winners that are herein catalogued. Still virile and rugged, if you can't buy "DAZZLER," buy his Glet or Service. Get or Service.

Announcement

Plans are now finalized for the sale of Shirley Farm and we wish to extend our personal invitation to Shorthorn Breeders everywhere to attend our Shirley Shorthorn Dispersal Sale. We spent a large part of our lifetime building this herd to its present position and are proud of the cattle we have to offer. This folder is sent to you as an introduction to our

Twin sons of "Dazzler" pose with "Syd." (They sell as Lots 11 and 12

herd and to give you some acquaintance with the offering. However, to get the complete story, write for the catalogue and the pedigrees will speak for themselves. Be with us the day of the sale, SATURDAY, JULY 17th, and see cattle that are as good as their pedigrees.

Yours very truly,
SYDNEY K. BERRY, Owner,
Shirley Stock Farm,
Lashburn, Sask.

CALROSSIE DAZZLER

CALROSSIE DAZZLER

"DAZZLER" was one of the great Shorthorn bulls of the world before coming to Shirley Farm. He had been Reserve Champion at Scotland's Inverness Show; had sired a string of top cattle for John Sleigh at Tolquhon; was the sire of the Supreme Champion Shorthorn female at both the Toronto Royal and Chicago International in 1950; and the dam of the 1952 San Francisco Champion. Here at Shirley he has sired the dam of our 1954 Regina Champion; the Reserve Champion of the Saskatoon Interprovincial Bull Show (also a member of the first place Pair of Bulls); the 4-H Champion of the Yorkton Fat Stock Show; and many more winners that are to be sold at this Dispersal. He is still youthful and very active, and promises to continue to be a great breeding bull for several years to come.

KIRKTON BARONET, the sire of "Dazzler," is recognized as one of the greatest breeding bulls in Shorthorn history
